LB 203, 718, 795

LR 71

importance of this with respect to the discussions that we have going on about establishing a state lottery. I think we need to establish some policy as to what type of games we're allowing at the local level and we need to make sure that we're protecting whatever it is that we want to do, ultimately, with the state lottery and I think that working on the Hall amendment between now and Monday will give us a chance to make sure we're establishing sound policy and that we have language that is exactly the way we want it. With that, I would suggest that we bracket this bill until Monday.

SPEAKER BAACK: Senator Will, are you asking unanimous consent to bracket?

SENATOR WILL: Yes.

SPEAKER BAACK: Is there objection? It is bracketed until next Monday. Items for the record, Mr. Clerk.

CLERK: Yes, Mr. President, I do. I have a gubernatorial appointment letter. That will be referred to Reference Committee for referral to Standing Committee for confirmation hearing.

New resolution, Mr. President, LR 71, introduced by Senator Hall. (Read brief description of resolution. See pages 1805-06 of the Legislative Journal.) That will be laid over.

Senator Rod Johnson has amendments to LB 718 to be printed. (See pages 1806-07 of the Legislative Journal.) And, Mr. President, hearing notice from Natural Resources Committee for confirmation hearing, signed by Senator Johnson as chair of the committee.

Mr. President, next bill, LB 203. First of all I have Enrollment and Review amendments, Mr. President.

SPEAKER BAACK: Senator Will.

SENATOR WILL: Mr. Speaker, I would move the adoption of the E & R amendments to LB 203.

SPEAKER BAACK: You've heard the motion to adopt the E & R amendments to LB 203. All those in favor say aye. Opposed no. They are adopted.
